

Inner Loop Extension Environmental Assessment Proposed Study Alternatives

- Alternative A - A new alignment from Bert Kouns (LA 526) to the south (LA 526 to LA 1 to I-69)
- Alternative B - Extend south from Flournoy Lucas (LA 523) avoiding Twelve Oaks, connect to Youree Drive (LA 1) and upgrade LA 1 to a freeway to connect to future I-69
- Alternative AB - Upgrade of LA 1 to a freeway to connect to future I-69
- Alternative C - Extend south from Flournoy Lucas (LA 523) avoiding Twelve Oaks to connect to future I-69
- Alternative D - "No-Build" – Leave everything as is
