Has the 3132 Inner Loop become the "Road to Nowhere?"

Since the early 90s, there has been talk of extending it somewhere near the Port of Caddo-Bossier on Hwy. 1 South.

The first phase was completed a few years ago, between Bert Kouns and Flournoy-Lucas Road. The second phase called for picking up where

3132 left off at Flournoy Lucas, and finish paving it. But a 'definite' corridor was never established. Basically, the situation has been all talk and no

action, until recently.

Sonja Bailes and Stephen Mayer delve deeper into "3132: The Road to Nowhere?" an Ark-La-Tex In Focus Report airing all this week on KTBS
